

Coastal WildScapes
presents

Field Trip Beach Ecology *with* Georgia Graves

\$20
Admission

SATURDAY

May 6, 2017

About our Event

Join marine educator & expert naturalist Georgia Graves for a **Members Only** ecological exploration of the beaches on St. Simons.

Walk a stretch of beach where you'll learn about the plants and animals living there -- from shells to shorebirds, sea oats, sand dollars and more; then toss a cast net to see who swims just below the water's surface!

9:30am – 12:00pm

**Coast Guard Station
East Beach, SSI**
