

# *Coastal WildScapes*

## Resilient Coastal Native Plants

Lunch & Learn with Eamonn Leonard  
GA DNR Nongame

THURSDAY, MAY 24, 11am – 1pm

Ashantilly Center

15591 GA Hwy. 99, Darien, Georgia

Join us for a catered lunch and lecture with GA DNR Nongame Plant Biologist Eamonn Leonard. The lecture will touch on the various native plants that have the greatest resilience to some of the adverse conditions to life on the coast (Deer, salt spray, drought, storm events). The lecture will begin at 11am with lunch served at 12pm.

**Cost: \$25 – Space: Limited to 30**

**[www.coastalwildscapes.org](http://www.coastalwildscapes.org)**

Left to Right: Prickly Pear,  
Gulf Fritillary, Saltmarsh Morning  
Glory, Sea Oats, Coastal Live Oak
