

Reptiles & Amphibians

**Members Only Field Trip with
Jekyll Island Conservation Staff**

SATURDAY, MAY 5, 9am – 12pm

Beach access at corner of Macy Lane & St. Andrews Drive

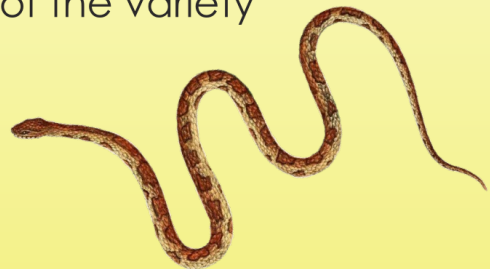

Join us for an exciting morning on Jekyll with their Conservation staff. We will search for snakes and reptiles in their natural habitat. You will have many opportunities

to get up and close and hands on with snakes and reptiles native to our coast. We will also discuss the other wildlife that call Jekyll home. You will leave with a better appreciation of the variety of animals that live on a Georgia Barrier Island.

Cost: Free, Members Only - Space: Limited to 20
